

Apprenticeships -

Activity Leadership Level 2

If Sports and Leisure gets your heart pumping, then our Activity Leadership Apprenticeship is the perfect course for you. To qualify you need to be 16–18 and currently not working, or at school or college. The Apprenticeship is in conjunction with the Hull Stingrays Community Foundation where you'll be employed for a minimum of 30 hours a week.

During your training you'll get to see what goes on in the everyday running of a Community Foundation and be expected to get involved in some of the jobs that are done - basically loads of invaluable experience that you couldn't get anywhere else!

The qualifications you'll come out with look pretty good too. As well as an NVQ Level 2 in Activity and Leadership, you'll get Key Skills certificates in Communication and Application of Number, and qualifications in Health & Safety and Emergency First Aid. And don't forget, you'll also get a very tasty **£75 a week** for the duration of the course!

So if you want to gain experience, a whole host of qualifications and the skills you need to work in Sports and Leisure, get in touch. You and LifeSkills' Activity Leadership Apprenticeship could be a winning combination.
